

Wools of New Zealand WoolClean™ Products

WoolClean™ Carpet Spot Removal Kit

The complete carpet cleaning kit includes:

WoolClean™ Spot Remover 1:

Removes water-based spots and stains.

WoolClean™ Dry Spot Remover 2:

Removes grease and oil spots and stains.

WoolClean™ Absorb-It:

An extremely absorbent compound which can be used to absorb spills initially or as a final step in spot removal to absorb any residual material as the carpet dries.

WoolClean Natural™

An environmentally friendly spotter that carries the CRI “Seal of Approval” and “WoolSafe” labels.

WoolClean Natural™ comes ready-to-use in 16-ounce bottles and is sold in cases of twelve (12).

WoolClean Natural™ is offered with custom labels with a minimum order of five (5) cases.
